https://www.autumns24kgoldens.com

Effective date: November 7, 2026

Our website is a family place. These Community Guidelines set the rules for everyone who visits or uses the public and member areas of https://www.autumns24kgoldens.com — including the blog, the member pages and Pet Tok, groups, comments, and any other place where a visitor can read, watch, post, or respond. They are written to the same strict standard used by major social media platforms, such as Facebook's Community Standards and TikTok's Community Guidelines. By using these areas, you agree to these Guidelines and to our Terms and Conditions and Privacy Policy.

1. Children May Watch — With Parental Supervision

The Goldies House videos on this website are made for children and families. Children under the age of 18 are allowed to view and watch the Goldies House videos on this website only with the supervision of a parent or legal guardian, who is responsible for the child's viewing. Children may not create an account, become a member, post, publish, comment, upload, or send messages anywhere on this website.

2. Only Adults May Publish

Only persons 18 years of age or older may register as a member, or post, publish, comment, upload photos or videos, or message other members in the blog, the member areas, Pet Tok, groups, or any other area of this website. By registering or publishing, you confirm that you are 18 or older. If we learn that an account belongs to, or is being used by, someone under 18, the account and its content will be removed.

3. Child Safety — Zero Tolerance

Protecting children comes before everything else on this website.

- No adult may contact, attempt to contact, follow, or message a minor

through this website, for any reason.

- No grooming, soliciting, befriending, or inappropriate communication with a minor, in any form, whether in public posts or private messages.
- No sexual, suggestive, or romantic content involving a minor — ever, in any form.
- No posting of a child's personal information, school, location, or identifying details. Photos of children may be posted only by their own parent or legal guardian, and never with identifying information.

Any violation of this section is removed immediately, the account is permanently banned, and the conduct will be reported to local law enforcement authorities and, where applicable, to the National Center for Missing & Exploited Children (NCMEC). Persons who attempt to contact or exploit a minor can face criminal charges, and we will cooperate fully with law enforcement.

5. No Reproduction or Sharing of Website Content

Nothing on this website may be taken and used anywhere else.
